

"Liam Kendregan to Join the Team"

The Brian Flugstad Golf Academy is pleased to announce the addition of its newest Master Instructor, Liam Kendregan. Liam and his wife, Colleen, currently reside in Kirkland, WA. Effective January 9th, he will be heading up all instruction at the Echo Falls location.

Liam's golf career began at an early age where he discovered both a passion and talent for the game. In 2002 he walked onto the golf team at Saint Mary's College of California. In 2003 he qualified for the US Amateur. By the end of his senior year in 2005 Liam finished with many accolades including holding the current school scoring average record (71.39), finishing ranked 13th nationally and was elected twice First Team All Conference (West Coast Conference).

After quickly ascending through the amateur ranks, Liam made the decision to take his talents to the professional ranks. From 2006 to 2012 he spent time on both the Canadian Tour and the Web.com Tour. During this time he ranked up many accomplishments including eight top 10's and finished 14th on the Canadian Tour Order of Merit in 2009.

In 2009, Liam was involved a very serious car accident. After extensive rehabilitation, he continued to pursue to his dream of playing professional golf. Unfortunately, his body was never fully the same. It was in 2012 that Liam began entertaining the thoughts of using his vast experiences and talents to help others achieve their goals in the game of golf.

His many years of working with top instructors, mental coaches and playing with some of the top players in the world have helped to shape his teaching philosophies. Given the similar career paths and after extensive discussions, I am extremely confident the Liam will be the perfect fit to continue to help grow the Academy!

Liam will be available at Echo Falls for individual lessons, group lessons, playing lessons, clinics and club fittings. For more information and book a lesson with him please visit:
