

New Location

The Brian Flugstad Golf Academy is pleased to announce the opening of its second location. We have partnered with Inglewood Golf Club in Kenmore.

Inglewood, a private member-owned golf club, is one of the Northwest's oldest and most renowned golf courses. Its history dates back to 1919. The course was originally designed by renowned architect A.V. Macan of Vancouver, B.C. Over its nearly 100 years of existence Inglewood has hosted many prestigious events, both amateur and professional. In keeping with tradition, Inglewood has continually worked to improve all areas of its immaculate grounds. Their practice facility is second to none. It consists of a driving range with wonderful target greens, a wedge area including bunkers, two chipping greens and two designated putting greens. The golf course itself consists of 18 masterfully designed holes that will test all levels of player's games.

Brian is extremely excited to be able to utilize all of these facilities to help his students grow in the game of golf!

Moving forward, Brian will be available for lessons at Inglewood and Echo Falls. The times and dates are available at www.brianflugstad.com. Feel free to contact me with any questions you may have. I look forward to joining the Inglewood Team!
